Audit Committee
Hertfordshire County Council

Dear Committee Members

Progress Report: Year ending 31 March 2018

We are pleased to attach our Audit Update Report. This report summarises the work we have undertaken to date and our plans for the remainder of the 2017/18 year. The purpose of the report is to provide the Audit Committee with an overview of the stage we have reached in our planning for the 2017/18 audit and ensure our audit is aligned with the Committee's service expectations.

We welcome the opportunity to discuss this report with you as well as understand whether there are other matters which you consider may influence our audits.

Yours faithfully

2017/18 audit

Faster close

The Accounts and Audit Regulations 2015 introduced a significant change in statutory deadlines from the 2017/18 financial year with the Council needing to prepare draft accounts by 31 May and publish audited accounts by 31 July.

These changes provide risks for both the preparers and the auditors of the financial statements:

- ▶ The Council now has less time to prepare the financial statements and supporting working papers. Risks to the Council include slippage in delivering data for analytics work in format and to time required.
- ▶ As your auditor, we have a more significant peak in our audit work and a shorter period to complete the audit. Risks for auditors relate to delivery of all audits within same compressed timetable. Slippage at one client could potentially put delivery of others at risk.

To mitigate this risk we will require:

- ▶ Good quality draft financial statements and supporting working papers by the agreed deadline;
- ▶ Appropriate Council staff to be available throughout the agreed audit period; and
- ▶ Complete and prompt responses to audit questions.

If the Council is unable to meet key dates within our agreed timetable, we will notify your Section 151 Officer of the impact on the timing of your audit, which may be that we postpone your audit until later in the summer and redeploy the team to other work to meet deadlines elsewhere.

Where additional work is required to complete your audit, due to additional risks being identified, additional work being required as a result of scope changes, or poor audit evidence, we will notify the Section 151 Officer of the impact on the fee and the timing of the audit. Such circumstances may result in a delay to the audit while we complete other work elsewhere.

To support the Council we will:

- ▶ Work with the Council to engage early to facilitate early substantive testing where appropriate. We have set out below in a table where we had planned to undertake early work following a meeting with officers in November 2017 and whether we have successfully completed that work.
- ▶ Facilitate faster close workshops to provide an interactive forum for Local Authority accountants and auditors to share good practice and ideas to enable us all to achieve a successful faster closure of accounts for the 2017/18 financial year.
- ▶ Work with the Council to implement EY Client Portal, this will:
 - Streamline our audit requests through a reduction of emails and improved means of communication;
 - Provide on-demand visibility into the status of audit requests and the overall audit status;
 - Reduce risk of duplicate requests; and
 - Provide better security of sensitive data.
- ▶ Agree the supporting working papers that we require to complete our audit.

Planning and interim visit

We are required to give an audit opinion on whether the financial statements of Hertfordshire County Council give a true and fair view of the financial position as at 31 March 2018 and of the income and expenditure for the year then ended.

We have completed our interim audit and have

- ▶ Undertaken our walkthroughs; and
- ▶ Performed early substantive testing as set out in the table in the preceding section.

We have used our computer-based analytics tools to enable us to capture and analyse whole populations of your financial data, in particular payroll, and journal entries.

2017/18 audit

Post statements visit

We have agreed the dates for our post statements audit visit, and we will have early discussions on your supporting working papers and their availability for the audit.

We introduced the finance team to our online Client Portal. This will enhance our communication on raising critical issues as soon as they arise and enable us to work even better with them to propose pragmatic solutions. It also enables the finance team to make real time updates to the Client Assistance Schedule and see our progress with the audit.

Value for money

We will be completing as much of our value for money conclusion work as we can in April and early May. Our work will then need to be updated in the light of the Council's outturn position and by our review of the annual governance statement, narrative report and the Head of Internal Audit report.

Other issues of interest

In addition to our formal reporting and deliverables we provide practical business insights and updates on regulatory matters through our Sector Briefings.
