In April 2015 Public Sector Audit Appointments Ltd (PSAA) issued "Statement of responsibilities of auditors and audited bodies". It is available from the via the PSAA website (www.PSAA.co.uk). The Statement of responsibilities serves as the formal terms of engagement between appointed auditors and audited bodies. It summarises where the different responsibilities of auditors and audited bodies begin and end, and what is to be expected of the audited body in certain areas.

The "Terms of Appointment (updated February 2017)" issued by the PSAA sets out additional requirements that auditors must comply with, over and above those set out in the National Audit Office Code of Audit Practice (the Code) and in legislation, and covers matters of practice and procedure which are of a recurring nature.

This report is made solely to the Audit Committee and management of Hertfordshire Pension Fund in accordance with the statement of responsibilities. Our work has been undertaken so that we might state to the Audit Committee, and management of Hertfordshire Pension Fund those matters we are required to state to them in this report and for no other purpose. To the fullest extent permitted by law we do not accept or assume responsibility to anyone other than the Audit Committee and management of Hertfordshire Pension Fund for this report or for the opinions we have formed. It should not be provided to any third-party without our prior written consent.

Executive Summary

Executive Summary

Scope update

In our audit planning report tabled at the 15 May 2018 Audit Committee meeting, we provided you with an overview of our audit scope and approach for the audit of the financial statements. We carried out our audit in accordance with this plan.

- Changes in materiality: In our Audit Committee Planning Report, we communicated that our audit procedures would be performed using a materiality of £84.8m, but that we would update this at year end. This level of materiality has increased to £89.9m based on the increase in Net Assets. The threshold for reporting misstatements that have an effect on the primary statements (fund account and net asset statement) is £4.5m.
- Changes in risks: In our Audit Committee Planning Report, we communicated our significant risk in relation to the accounts. Following receipt of the draft accounts and undertaking our work during the audit, the risks remain consistent with our initial assessment.

Status of the audit

We have substantially completed our audit of Hertfordshire Pension Fund's financial statements for the year ended 31 March 2018 and have performed the procedures outlined in our Audit planning report. Subject to satisfactory completion of the following outstanding items we expect to issue an unqualified opinion on the Pension Fund's financial statements in the form which appears at Section 3. However until work is complete, further amendments may arise:

- Review of the final version of the Annual Report
- Review of the final version of the financial statements
- Completion of subsequent events review
- Receipt of the signed management representation letter

Executive Summary

Audit differences

There are no unadjusted differences arising from our audit.

We have identified a small number of audit differences which have been adjusted by management. As can be seen in Section 4 Audit Differences, we have not felt it necessary to provide the details of these amendments.

There are no matters, apart from those reported by management or disclosed in this report, which we believe should be brought to the attention of the Audit Committee.

Control observations

We have not identified any significant deficiencies in the design or operation of an internal control that might result in a material misstatement in your financial statements and which is unknown to you.

We have adopted a fully substantive approach, so have not tested the operation of controls.

Independence

Please refer to Section 10 for our update on Independence.

02 Areas of Audit Focus

Areas of Audit Focus

Significant risk

Risk of Management Override

What is the risk?

As identified in ISA (UK and Ireland) 240, management is in a unique position to perpetrate fraud because of its ability to manipulate accounting records directly or indirectly and prepare fraudulent financial statements by overriding controls that otherwise appear to be operating effectively.

Valuation of Complex Investments (Unquoted Investments)

The Fund's investments include unquoted pooled investment vehicles such as private equity and global alternative funds (Level 3 Investments). Judgements are taken by the Investment Managers to value those investments whose prices are not publically available.

The material nature of Investments means that any error in judgement could result in a material valuation error. Market volatility means such judgments can quickly become outdated, especially when there is a significant time period between the latest available audited information and the fund year end. Such variations could have a material impact on the financial statements.

As these investments are more complex to value, we have identified the Fund's investments in private equity and global alternative funds (Level 3 investments) as a significant risk. These investments are highly material and as they are harder to value there is a risk of management manipulation in the valuation of these assets and in processing journals incorrectly.

What did we do?

In response to the risk, we:

- Enquired of management about risks of fraud and the controls in place to address those risks;
- Considered the oversight given by those charged with governance of management's processes over fraud by direct enquiry;
- Considered the effectiveness of management's controls designed to address the risk of fraud;
- Tested the appropriateness of journal entries recorded in the general ledger and other adjustments made in preparing the financial statements;
- Reviewed accounting estimates for evidence of management bias, including in respect of Level 3 investments;
- Undertook a review of reconciliations to the fund manager and custodian reports and investigated any reconciling differences;
- Re-performed the detailed investment note using the reports we acquired directly from the custodian or fund managers;
- Checked the reconciliation of holdings included in the Net Assets Statement back to the source reports;
- Reviewed accounting estimates for evidence of management bias; and
- For level 3 investments we agreed information to source reports and the financial statements of the individual funds.

Areas of Audit Focus

Significant risk

Risk of Management Override

What judgements are we focused on?

We focused on aspects of the financial statements where management could inappropriately inflate income or understate expenditure, primarily:

- Material accounting estimates.
- Journal entries.
- Unusual transactions.

What are our conclusions?

- We obtained the responses we requested from management and those charged with governance to our enquiries and used these to inform our understanding of fraud risks. We noted that key elements of the entity level control framework that we would expect to see, especially arrangements for internal audit, and risk management, were in place.
- Our walkthrough testing included considering what controls are in place to address significant risks. We concluded that these are in large part year end processes including management review of the draft financial statements. We confirmed that these controls were in place, although our approach was not to rely on controls.
- Our work on the testing of accounting estimates has been completed and no significant issues identified.
- We did not identify any material cut-off issues at the period end date.
- We have not identified any material weaknesses in controls or evidence of material management override.
- We have not identified any instances of inappropriate judgements being applied.
- We did not identify any other transactions during our audit which appeared unusual or outside the Authority's normal course of business.

Overall, our audit work has not identified any material issues, inappropriate judgements or unusual transactions which indicate that there has been any misreporting of the Authority's financial position, that revenue or expenditure has been incorrectly recorded or that management has overridden control.

03 Audit Report

Audit Report

Draft audit report

Our opinion on the financial statements

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF HERTFORDSHIRE COUNTY COUNCIL

Opinion

We have audited the pension fund financial statements for the year ended 31 March 2018 under the Local Audit and Accountability Act 2014. The pension fund financial statements comprise the Fund Account, the Net Assets Statement and the related notes 1 to 22. The financial reporting framework that has been applied in their preparation is applicable law and the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2017/18.

In our opinion the pension fund financial statements:
give a true and fair view of the financial transactions of the pension fund during the year ended 31 March 2018 and the amount and disposition of the fund's assets and liabilities as at 31 March 2018; and
have been properly prepared in accordance with the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2017/18.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report below. We are independent of the pension fund in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard and the Comptroller and Auditor General's (C&AG) AGN01, and we have fulfilled our other ethical responsibilities in accordance with these requirements.
We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:
the Director of Resources use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
the Director of Resources has not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the pension fund's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

Other information

The other information comprises the information included in the statement of accounts, other than the financial statements and our auditor's report thereon. The Director of Resources is responsible for the other information.

Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in this report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of the other information, we are required to report that fact.

We have nothing to report in this regard.

Audit Report

Our opinion on the financial statements

Matters on which we report by exception

We report to you if:

- we issue a report in the public interest under section 24 of the Local Audit and Accountability Act 2014;
- we make written recommendations to the audited body under Section 24 of the Local Audit and Accountability Act 2014;
- we make an application to the court for a declaration that an item of account is contrary to law under Section 28 of the Local Audit and Accountability Act 2014;
- we issue an advisory notice under Section 29 of the Local Audit and Accountability Act 2014; or
- we make an application for judicial review under Section 31 of the Local Audit and Accountability Act 2014.

We have nothing to report in these respects

Responsibility of the Director of Resources

As explained more fully in the Statement of the Chief Financial Officer's Responsibilities set out on page 19, the Director of Resources is responsible for the preparation of the Authority's Statement of Accounts, which includes the pension fund financial statements, in accordance with proper practices as set out in the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2017/18, and for being satisfied that they give a true and fair view.

In preparing the financial statements, the Director of Resources is responsible for assessing the Pension Fund's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Pension Fund either intends to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at <https://www.frc.org.uk/auditorsresponsibilities>. This description forms part of our auditor's report.

Use of our report

This report is made solely to the members of Hertfordshire County Council, as a body, in accordance with Part 5 of the Local Audit and Accountability Act 2014 and for no other purpose, as set out in paragraph 43 of the Statement of Responsibilities of Auditors and Audited Bodies published by Public Sector Audit Appointments Limited. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Authority and the Authority's members as a body, for our audit work, for this report, or for the opinions we have formed.

Audit Differences

Audit Differences

In the normal course of any audit, we identify misstatements between amounts we believe should be recorded in the financial statements and the disclosures and amounts actually recorded. These differences are classified as “known” or “judgemental”. Known differences represent items that can be accurately quantified and relate to a definite set of facts or circumstances. Judgemental differences generally involve estimation and relate to facts or circumstances that are uncertain or open to interpretation.

Summary of adjusted differences

We highlight the following misstatements greater than £4.5m which have been corrected by management that were identified during the course of our audit.

We do not have any misstatements to report.

Some minor disclosure amendments have been made which do not need to be brought to the Committee's attention.

There were no uncorrected misstatements.

05

Other reporting issues

Other reporting issues

Consistency of other information published with the financial statements

We must give an opinion on the consistency of the financial and non-financial information in the Hertfordshire County Council accounts.

We have yet to undertake this review.

Other powers and duties

We have a duty under the Local Audit and Accountability Act 2014 to consider whether to report on any matter that comes to our attention in the course of the audit, either for the Authority to consider it or to bring it to the attention of the public (i.e. "a report in the public interest"). We did not identify any issues which required us to issue a report in the public interest.

We also have a duty to make written recommendations to the Authority, copied to the Secretary of State, and take action in accordance with our responsibilities under the Local Audit and Accountability Act 2014. We did not identify any issues.

Other matters

As required by ISA (UK&I) 260 and other ISAs specifying communication requirements, we must tell you significant findings from the audit and other matters if they are significant to your oversight of the [Authority]'s financial reporting process. They include the following:

- Significant qualitative aspects of accounting practices including accounting policies, accounting estimates and financial statement disclosures;
- Any significant difficulties encountered during the audit;
- Any significant matters arising from the audit that were discussed with management;
- Written representations we have requested;
- Expected modifications to the audit report;
- Any other matters significant to overseeing the financial reporting process;
- Findings and issues around the opening balance on initial audits (if applicable);
- Related parties;
- External confirmations;
- Going concern; and
- Consideration of laws and regulations;

We have no matters to report.

06

Assessment of Control Environment

Assessment of Control Environment

Financial controls

It is the responsibility of the Authority to develop and implement systems of internal financial control and to put in place proper arrangements to monitor their adequacy and effectiveness in practice. Our responsibility as your auditor is to consider whether the Authority has put adequate arrangements in place to satisfy itself that the systems of internal financial control are both adequate and effective in practice.

As part of our audit of the financial statements, we obtained an understanding of internal control sufficient to plan our audit and determine the nature, timing and extent of testing performed. As we have adopted a fully substantive approach, we have therefore not tested the operation of controls.

Although our audit was not designed to express an opinion on the effectiveness of internal control we are required to communicate to you significant deficiencies in internal control.

We have not identified any significant deficiencies in the design or operation of an internal control that might result in a material misstatement in your financial statements of which you are not aware.

07

Data Analytics

Use of Data Analytics in the Audit

Analytics Driven Audit

Data analytics

We used our data analysers to enable us to capture entire populations of your financial data. These analysers:

- Help identify specific exceptions and anomalies which can then be the focus of our substantive audit tests; and
- Give greater likelihood of identifying errors than traditional, random sampling techniques.

In 2017/18, our use of these analysers in the authority's audit included testing journal entries, to identify and focus our testing on those entries we deem to have the highest inherent risk to the audit.

We capture the data through our formal data requests and the data transfer takes place on a secured EY website. These are in line with our EY data protection policies which are designed to protect the confidentiality, integrity and availability of business and personal information.

Journal Entry Analysis

We obtain downloads of all financial ledger transactions posted in the year. We perform completeness analysis over the data, reconciling the sum of transactions to the movement in the trial balances and financial statements to ensure we have captured all data. Our analysers then review and sort transactions, allowing us to more effectively identify and test journals that we consider to be higher risk, as identified in our audit planning report.

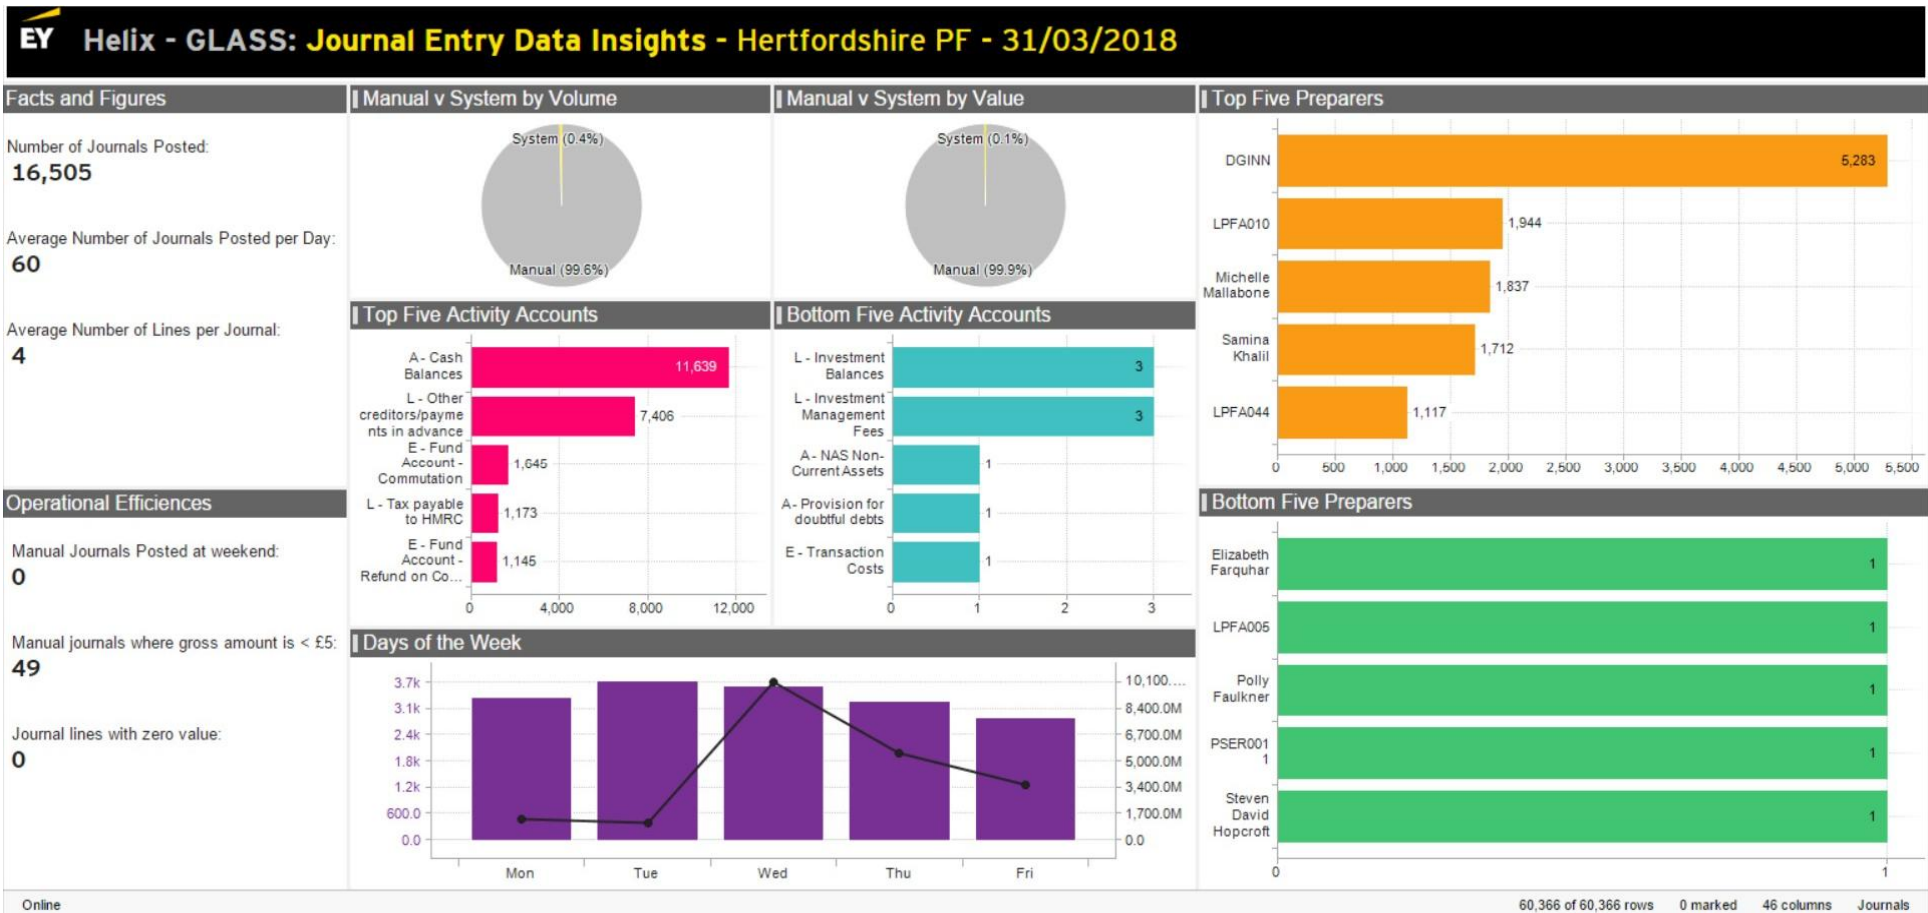

Data Analytics

Journal Entry Data Insights

The graphic outlined below summarises the journal population for 2017/18. We review journals by certain risk based criteria to focus on higher risk transactions, such as journals posted manually by management, those posted around the year-end, those with unusual debit and credit relationships, and those posted by individuals we would not expect to be entering transactions.

The purpose of this approach is to provide a more effective, risk focused approach to auditing journal entries, minimising the burden of compliance on management by minimising randomly selected samples.

Journal Entry Testing

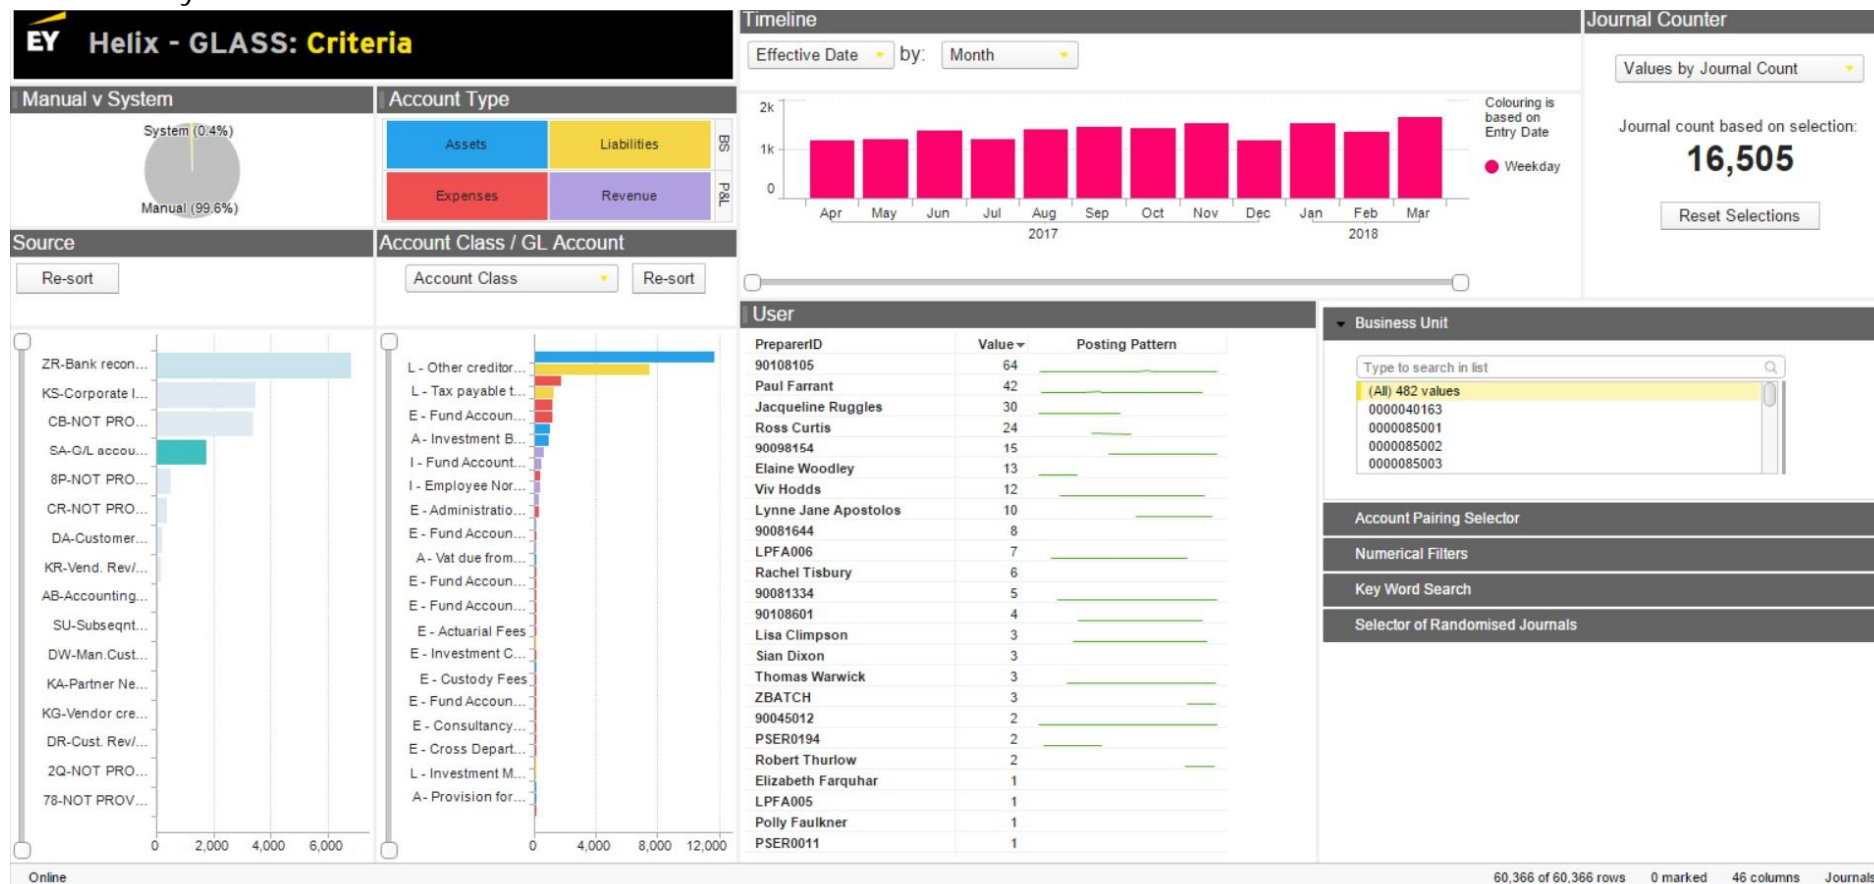

What is the risk?

In line with ISA 240 we are required to test the appropriateness of journal entries recorded in the general ledger and other adjustments made in the preparation of the financial statements.

What judgements are we focused on?

Using our analysers we are able to take a risk based approach to identify journals with a higher risk of management override, as outlined in our audit planning report.

Journal entry data criteria – 31 March 2018

What are our conclusions?

We isolated a sub set of journals for further investigation and obtained supporting evidence to verify the posting of these transactions and concluded that they were appropriately stated.

8

Independence

Confirmation

We confirm that there are no changes in our assessment of independence since our confirmation in our audit planning board report dated 16 April 2018.

We complied with the FRC Ethical Standards and the requirements of the PSAA's Terms of Appointment. In our professional judgement the firm is independent and the objectivity of the audit engagement partner and audit staff has not been compromised within the meaning of regulatory and professional requirements.

We consider that our independence in this context is a matter which you should review, as well as us. It is important that you and your Audit Committee consider the facts known to you and come to a view. If you would like to discuss any matters concerning our independence, we will be pleased to do this at the meeting of the Audit Committee on 18 July 2018.

Independence

Fee analysis

As part of our reporting on our independence, we set out below a summary of the fees paid for the year ended 31 March 2018.

We confirm that we have not undertaken non-audit work outside the PSAA Code requirements.

	Final Fee 2017/18	Planned Fee 2017/18	Scale Fee 2017/18	Final Fee 2016/17
	£	£	£	£
Total Audit Fee – Code work	33,491	33,491	27,991	33,491

We will be charging an additional fee of £5,500 in 2017/18 to take into account the additional work required to respond to IAS19 assurance requests from scheduled bodies. This is consistent with the additional fee agreed in 2016/17. The scale fee variation is has been approved by PSAA.

The agreed fee presented is based on the following assumptions:

- ▶ Officers meeting the agreed timetable of deliverables;
- ▶ Our accounts opinion and value for money conclusion being unqualified;
- ▶ Appropriate quality of documentation is provided by the Pension Fund; and
- ▶ The Pension Fund has an effective control environment.

As we have substantially completed the audit, we expect the final fee to be £33,491.

[Address]

This letter of representations is provided in connection with your audit of the financial statements of Hertfordshire Pension Fund ("the Fund") for the year ended 31 March 2018. We recognise that obtaining representations from us concerning the information contained in this letter is a significant procedure in enabling you to form an opinion as to whether the financial statements give a true and fair view of the financial transactions of the Fund during the period from 1 April 2017 to 31 March 2018 and of the amount and disposition of the Fund's assets and liabilities as at 31 March 2018, other than liabilities to pay pensions and benefits after the end of the period, have been properly prepared in accordance with the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2017/18.

We understand that the purpose of your audit of the Fund's financial statements is to express an opinion thereon and that your audit was conducted in accordance with International Standards on Auditing (UK), which involves an examination of the accounting system, internal control and related data to the extent you considered necessary in the circumstances, and is not designed to identify - nor necessarily be expected to disclose - all fraud, shortages, errors and other irregularities, should any exist.

Accordingly, we make the following representations, which are true to the best of our knowledge and belief, having made such inquiries as we considered necessary for the purpose of appropriately informing ourselves:

A. Financial Statements and Financial Records

1. We have fulfilled our responsibilities, under the relevant statutory authorities, for the preparation of the financial statements in accordance with the Accounts and Audit Regulations 2015 and CIPFA LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2017/18
2. We confirm that the Fund is a Registered Pension Scheme. We are not aware of any reason why the tax status of the scheme should change.
3. We acknowledge, as members of management of the Fund, our responsibility for the fair presentation of the financial statements. We have approved the financial statements.
4. The significant accounting policies adopted in the preparation of the financial statements are appropriately described in the financial statements.

6. There are no unadjusted audit differences identified during the current audit and pertaining to the latest period presented.
