Dear John

I am writing further to our discussions in relation to the social care payment.

The letter of claim from the Council dated 13 February 2017 has raised a number of issues regarding the CCG's decision on 1 December 2016 to cease its £8.5m additional contribution to support social care with effect from 1 April 2017.

In view of those issues, the CCG has decided to rescind that decision so that it can address the issues in the Council's letter. The CCG Investment Committee will meet again on 2 March 2017 at which point it will consider whether the CCG should continue to make an additional contribution to support social care in the financial year 2017/18.

Yours sincerely
