

**GOVERNANCE: LOCAL GOVERNMENT PENSION SCHEME (LGPS)
INVESTMENT POOLING INTER-AUTHORITY AGREEMENT**

Report of the Director of Resources

Report author: Patrick Towey, Head of Specialist Accounting
(Telephone: 01992 555148)

1. Purpose of the Report

- 1.1 To update Members on the current position concerning the ACCESS Pension Pool and to invite Council to consider whether to approve proposed arrangements for setting up a joint committee with the ACCESS Authorities and for an Inter-Authority Agreement with the ACCESS Authorities.

2. Summary

- 2.1 The County Council at its meeting on 22 March 2016 agreed, as recommended by the Pension Committee, to join the ACCESS pool. Accordingly the Council signed a Memorandum of Understanding (MoU) in May 2016 with the 10 other authorities in the pool to underpin the initial work of establishing the pool. ACCESS contains the following funds:

Cambridgeshire	Kent
East Sussex	Norfolk
Essex	Northamptonshire
Hampshire	Suffolk
Hertfordshire	West Sussex
Isle of Wight	

- 2.2 The ACCESS pool proposal for the pooling of assets was submitted to Government on 15 July 2016 and an initial acceptance letter was received on 27 January 2017.
- 2.3 This report seeks County Council's approval to create the Joint Governance Committee which will make investment pooling decisions on behalf of the 11 ACCESS Funds collectively. Investment strategy and asset allocation decisions will be determined locally by each individual Fund and the

implementation of these decisions will be undertaken by ACCESS through collective pooling of investments on behalf of the 11 ACCESS Funds.

- 2.4 The Council's Pensions Committee considered a report on this item of business at its meeting on 7 March 2017. The Committee's recommendation to Council is reflected in paragraph 3 below.

3. Recommendation

- 3.1 That County Council agrees:-

- (i) that the Director of Resources, in consultation with the Chairman or, in the Chairman's absence, the Vice-Chairman of the Pensions Committee, be delegated the authority to finalise and agree the terms of the Inter-Authority Agreement with the authorities in the ACCESS Pool as set out in the Report and its appendices;
- (ii) to set up a Joint Governance Committee as set out in the Report with the authorities in the ACCESS Pool with effect from the date of completion of the Inter-Authority Agreement and to appoint one Member of the Council to the Joint Governance Committee;
- (iii) to delegate the functions set out in Appendix 2 to the Report to the Joint Committee with effect from the date of completion of the Inter-Authority Agreement; and
- (iv) that the Chief Legal Officer be authorised to make such amendments as are necessary to the Council's Constitution to reflect the decisions set out in (i) to (iii) above.

4. Background

- 4.1 In the summer 2015 budget the Chancellor announced the Government's intention to invite Administering Authorities to make proposals for pooling Local Government Pension Scheme (LGPS) investments. Following the Autumn Statement on 25 November 2015 the Department for Communities and Local Government (DCLG) published its criteria for pooling investments focusing on 4 elements:

- 1. Scale – it is the Government's desire that pools of assets are created with at least £25bn of assets per pool.
- 2. Strong Governance – authorities are charged with defining the mechanisms by which they can hold the pool to account.
- 3. Reduced costs – including estimated savings over the next 15 years.
- 4. Improved capacity to invest in infrastructure through pooling.

- 4.2 In July 2016 ACCESS made a submission to Government based on pooling investments via a Collective Investment Vehicle (CIV) that would be administered and maintained by a third party Operator. The third party operator would be collectively managed by the pension funds through a joint

committee established by the Authorities and made up of one member from each authority.

5. Inter-Authority Agreement

- 5.1 The ACCESS funds have jointly commissioned the external legal firm Eversheds to provide assistance in drafting a legally binding Inter-Authority Agreement (“IAA”) for the pooling of investments.
- 5.2 The IAA will be based on the governing principles that were agreed by the ACCESS pension funds at the outset of their collaboration in February 2016, including:
- Working collaboratively,
 - All Councils having an equitable voice in governance,
 - Avoiding unnecessary complexity, and
 - Running economically and applying value-for-money considerations.
- 5.3 All monitoring officers of the 11 Funds including the County Council’s Monitoring Officer have been fully involved in the development and agreement of the IAA.
- 5.4 The most significant principles that will be reflected in the IAA are as follows:

Governance

- 5.5 The ACCESS Pool will be governed by a Joint Committee constituted under s101 of the Local Government Act 1972 and made up of one elected councillor chosen by each authority from their pension committee. The Joint Committee (or Joint Governance Committee as it will be known) will be “hosted” by one of the ACCESS local authorities. The host authority will undertake the secretariat function for the Joint Governance Committee. It is proposed that Kent County Council will be the initial host authority.
- 5.6 A Chairman and Vice-Chairman of the Joint Governance Committee will be appointed by the members of the Joint Governance Committee. Each elected member will have one vote in any decision requiring a vote, and decisions will be carried by a simple majority with the Chairman having a casting vote if necessary. The full draft constitution of the Joint Governance Committee is attached at Appendix 1 to the report.
- 5.7 The specific functions that would be delegated to the Joint Governance Committee are specified in Appendix 2 to the report.

Procurement

- 5.8 The Joint Governance Committee will oversee the procurement of an operator. The procurement itself would be undertaken by a “Lead Authority” (one of the ACCESS authorities) on behalf of the group. Whilst the Joint Governance Committee will oversee the procurement process and make a

recommendation on the preferred supplier, each of the 11 access local authorities will make their own decision to enter into a contract with the operator.

Cost Sharing

- 5.9 It is the aim of the ACCESS Pool that costs are shared equitably between the member funds. Some costs will be shared equally between the member funds, or costs will be shared according to the value of investments by each fund as follows:
- 5.10 Costs to be shared equally between the member funds:
- The pool establishment costs including strategic and technical advice, legal advice, project management costs and the costs associated with running either the procurement process to appoint a CIV;
 - Any set-up costs charged by the operator for the overall creation of the sub-fund structure; and
 - The ongoing costs of managing and governing the pool including the host authorities' costs of hosting the Joint Governance Committee and providing the secretariat function, the cost of any external advice commissioned by the Joint Governance Committee, and any re-procurement processes for the CIV Operator.
- 5.11 Costs in relation to funds' investments will be shared according to the value of each fund's investments, as charged by the CIV Operator for the sub-funds that each fund is invested in.
- 5.12 Other costs will not be shared and will be borne by the fund that they are incurred by, which includes:
- Each Fund's costs of participating in the pool, such as attendance at meetings.
 - Any transition costs of moving assets to or within the pool.

Withdrawal and termination

- 5.13 Any fund can withdraw from the IAA and therefore the ACCESS Pool by giving 12 months' notice to expire on 31 March. Following the signing of the IAA, any fund that wishes to withdraw from the pool will be liable for its share of the costs (not relating directly to investments) for the remainder of the contract period of the CIV Operator.

Other Provisions

- 5.14 The IAA will cover a number of other standard areas including dispute resolution, information and confidentiality, data protection, freedom of information, equal opportunities, and change in identity of Administering Authorities.

6. Timescales

- 6.1 Government requires LGPS funds to begin transferring their investments into pools by no later than April 2018. In order for the ACCESS Pool to meet this deadline, the procurement processes for a CIV Operator will need to commence in or around April 2017.
- 6.2 It is therefore necessary to seek decisions now to enable establishment of the Joint Governance Committee and commence the procurement processes. To achieve this, it is necessary for all of the ACCESS Authorities to make decisions at Council meetings in February/March 2017.

7. Financial implications

- 7.1 The implementation costs of establishing a CIV are estimated to be £160k for the Hertfordshire Fund. Ongoing annual operational costs are estimated between £273k and £455k. These estimates have been derived following significant market research with market participants including potential suppliers and other pools.
- 7.2 Eventual savings for the ACCESS Pool are projected to be £30m annually. Allowing for investment growth of 3-5% per annum, by year 10 this will be equivalent to £40-50m.¹
