REVIEW OF POLITICAL PROPORTIONALITY

Report of the Chief Legal Officer

Author: Kathryn Pettitt, Chief Legal Officer (Tel: 01992 555527)

1. Purpose of report

To advise members of the rules relating to political proportionality and the implication of those rules for the allocation of places on Committees following the County Council election on 4 May 2017.

2. Summary and Background

2.1 The distribution of seats on committees is allocated in accordance with the proportionality principles set out in the Local Government and Housing Act 1989 and the Local Government (Committees and Political Groups) Regulations 1990. Only with no Member voting against can an authority decide that it wishes to adopt an arrangement other than a proportional one for any committee.

2.2 Following the County Council election on 4 May 2017 the number of seats of each group on the Council and the resulting percentages for political proportionality are:

Conservative	Liberal Democrat	Labour
51	18	9
65.38%	23.08%	11.54%

2.3 The proportionality principles are:

(a) All the seats are not allocated to the same political group (Principle 1);

(b) The majority of the seats go to the political group with majority on the full Council (Principle 2);

(c) Subject to the above two principles, that the total number of seats on all of the ordinary committees of the authority allocated to each political group must be in the same proportion as the proportion of that group's seats on the full Council (Principle 3);

(d) Subject to the above three principles, that the number of seats on each ordinary committee of the authority allocated to each political group must be in

the same proportion as the proportion of that group's seats on the full Council (Principle 4).

- 2.4 County Council have in previous years agreed to waive political proportionality in respect of Overview & Scrutiny Committee and Health Scrutiny Committee. The reason for this has been that, because of voting non county councillor members on these committees, compliance with Principle 2 would lead to the Conservative Group having a disproportionately large number of seats compared to the other two Groups and to the Health Scrutiny Committee having to be increased in size (or the number of voting non county councillor members reduced). The County Council is, therefore, invited to waive the political proportionality rules in relation to those committees, as it has done previously, and to adopt the allocation of seats set out in Part B of this Report. For this to be adopted it will require no member to vote against the proposal.
- 2.5 Taking into account the above matters a draft scheme of proportionality for 2017/18 is attached at Appendix.
- 2.6 The Council is required to review committee membership and political proportionality on committees annually.
- 2.7. The rules of political proportionality referred to above do not apply to Cabinet Panels which are advisory bodies established by the Executive. The Constitution does provide, however, that when appointing members to Cabinet Panels proportionality rules will be applied to each Cabinet Panel but not across all Panels.

3. Recommendation

- 3.1 That Council adopt the draft scheme of proportionality for 2017/18 as set out in the Appendix to this Report
- 3.2 That in respect of Overview & Scrutiny Committee and Health Scrutiny Committee and any topic group or sub-committee of Overview & Scrutiny Committee or Health Scrutiny Committee, the Council waives the requirements for proportionality so as to agree the arrangements set out in Part B of the Appendix to this Report for Overview & Scrutiny Committee and Health Scrutiny Committee provided that the Leader of any of the three largest political groups on the Council can request at any time a review of political proportionality in respect of Overview & Scrutiny Committee and Health Scrutiny Committee.

4. Financial Implications

- 4.1 None specifically arising from this Report.
