

Strategy refresh update – October 2015

Health and **Wellbeing** Board
Hertfordshire

Progress to Date

- **Change in Strategic Lead**
- **JSNA work**
- **Engagement with National Leads**

November Development Day

Aim of Session

Confirm the vision:

Reflect the strategies that have been developed to deliver the vision; Integration and aligning of partners' strategies

Are there any gaps?

Children & Young People – Mental Health – Wider prevention agenda

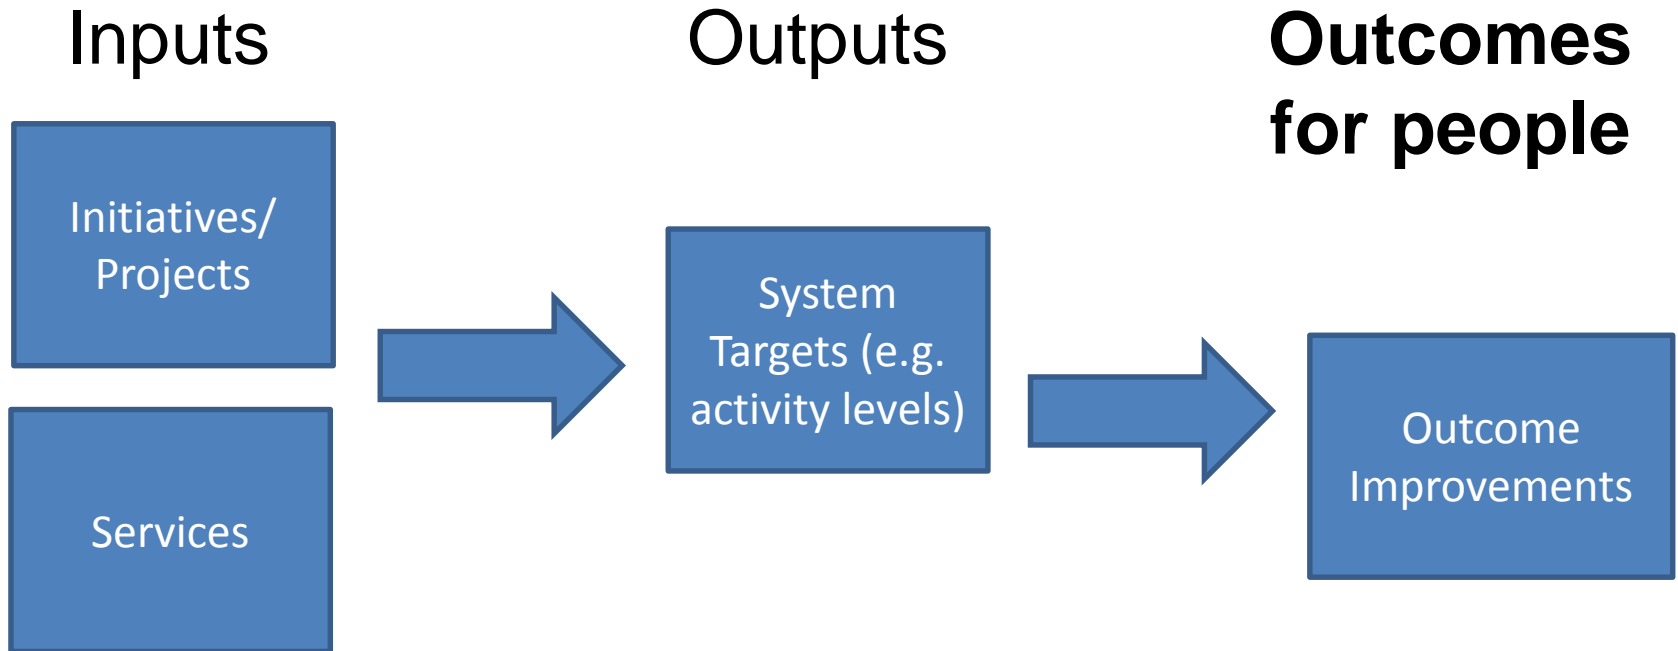

How do we reflect local variations and differences

Output: 4 or 5 priorities under each objective; via wider community; what would good look like under each heading?

Overarching principles

Measuring Progress

- **Fewer** measures, with 4-5 priorities under each of the Life Course headings that reflect agreed principles
 - **WHAT? BY WHEN?**
- Accountable Board Member for each of the life course areas
- Senior leads for each priority – not just HCC

Timelines Proposed

Oct – Nov

- Stakeholder mapping; engagement and consultation planning; embed service users' voice in engagement and consultation process

Dec – Jan: ENGAGEMENT

- Number of events; different stakeholders: Focus on the 4 themes
- Aim for different themes at different stakeholders?
- Dates and venues currently being planned for Dec/Jan

Early Feb : Development Day

- **Content:** 1st Draft; reflecting back ; feedback from stakeholders; metrics/action; identify who leads on work?
- **Agree:** structure of delivery; role of HWB and reporting process
- **Output:** Final Draft of strategy

March HWB : Final sign off

- Sign off process with CCGs, HCS prior to HWB
