

APPENDIX 1: SIDs by Division

The three tables in this appendix show the number of SIDs in each division. They are also split by installation year to show when an extended warranty would be due if members followed the recommendation in this report.

- **Appendix 1a** shows all SIDs funded by member budgets - HLB or locality budgets. The local member would be responsible for funding the extended warranty
- **Appendix 1b** shows SIDs funded by a 3rd party such as a Parish Council. The local member would be responsible for obtaining the funding or may wish to fund the extended warranty themselves
- **Appendix 1c** shows SIDs funded by the PCC. Officers at the PCC will be presenting a paper in early February to provide funding for extending the maintenance warranty by five years for the signs they have purchased.
